

PRODUCTION: SEPT 2015

Graphic display for easy editing of labels

One touch function keys for ease of use

Flat keyboard makes text entry easy

20mm/second print speed for quicker labelling

Template library for creative labelling

More fonts, frames and symbols than competition

Also includes:

- Carry case
- AC adapter
- 12mm black on white TZe tape (4m)

## Main features at a glance:

### Graphic LCD display

- Easy-to-read text, and the ability to preview your label before printing.

### One-touch function keys

- Quickly access frequently used functions to speed up label creation.

### Flat keyboard

- Reduces typing mistakes, and makes it just as easy to use in the hand, as well as on your desk.

### High speed print

- 20mm/second print speed.

### Template library

- 10 "Text labels" and 7 "Pattern labels" for creative labelling.

### High specifications

- More built-in fonts, frames and symbols than the competition.

### Multiple power options

- Supplied with an AC adaptor.
- Also works with 6 x AAA batteries (not supplied).

# PT-D210VP DATASHEET
